Liberal Votes	37	32	30	21	9	8	8	3	1	1

Note: Cases were included if the Court decided issues of procedural due process or substantive civil liberties except equal protection, by nonunanimous vote; cases dealing with remedies for rights violations are excluded. Liberal votes are designated +; conservative votes, - Boldface line divides justices into two groups according conventional rules of scalogram analysis; - signs to left of line and + signs to right may be interpreted as votes inconsistent with ideological ordering of justices.

Ma=Marshall, Br=Brennan, St=Stevens, Bl=Blackmun, Po=Powell, Wh=White, Bu=Burger, O'C=O'Connor
e=Rehnquist.
Numbers are volumes and pages of case citations in Supreme Court Reports, Lawyer's Edition
