The Creator

Allah made day and Allah made night,
He split the darkness from the light.
Allah made you and Allah made me,
And Allah made the animals that we see.

Allah made the seas and the dry land too,
He made the flowers and the sky so blue.
Allah made you and Allah made me,
And Allah made the animals that we see.

Allah made the stars shining way up high,
He made the birds and put them in the sky.
Allah made you and Allah made me,
And Allah made the animals that we see.

*Directions: Now label the lines A, B, A, B. Read the two A lines. See how they are the same song? The same is true for the B lines. Now try another poem.
